*Service flags are all around us,
You will find them everywhere;
They remind us someone's darling
Is a soldier "Over There."*

.....
*Patriotic fathers, mothers, brothers
Sisters all declare.
Some-one's missing from their circle
He is fighting "Over There."*

.....
*Memories cling like golden clusters
Of our boys so bright and fair
Precious gems are often bidden,
In the trenches "Over There."*

.....
*Faith and love entwined together
Is a message we will bear.
To our boys across the ocean,
For our loved ones "Over There."*

.....
*Pictures of their early childhood
Hang in memory on the wall;
Now they fight to save our nation
In the battle some will fall.*

.....
*There we see our flag in splendor,
Waving upward to the sky;
Hear our heroes shout in chorus
We will either win or die.*

.....
*In the battle of all battles,
Fight, they will with courage rare,
We have conquered, yes, we've conquered,
Whipped the Kaiser, "Over There."*
