Introduction

Mod to

Voice

There are wives, sweethearts, and mothers who are waiting for
the boys- that-
There are loved ones who are waiting for the boys that won't return, who

sailed away to France across the
gave their lives to keep the whole world
sea
free
With their
They are

tear dimmed anxious faces as
sleeping over wonder where the
They kissed the boys good-bye
poppies nod
their heads in

and prayed for their re-turn with victory
fond farwell to those
that cross the sea
Now their
And for

hearts are filled with glad-ness- for their are no tears or sadness as they
every one that's sleeping- there's a gold star vigil keeping for the

dream of days to be
cause of lib- er- ty
