p
North A - mer - i - ca's broth - er - hood, broth - er - hood;
Fought and won in Bel - leau wood, Bel - leau wood;
Faced wars most ter - rif - ic fire, fierc - est fire:
Forced the Ger - man Arm - y to re - tire, to re - tire.
Fought and won in dip - lo - mat - ic field, brain - y field;
Wood - row made the stub - born mass - es yield, mass - es yield.
con moto
Now for free - dom o - ver sea and land, sea and land,
f
Glo - ry come to our great North A - mer - i - can.
