FRITZ'S FINISH

(1)

We're coming by the millions and we're well upon our way;
Our Uncle Sam has spoken and the world has heard him say:
The Boches must be beaten and that Kaiser Bill shall be,
No more the scourge of nations on the land or on the sea.

CHORUS

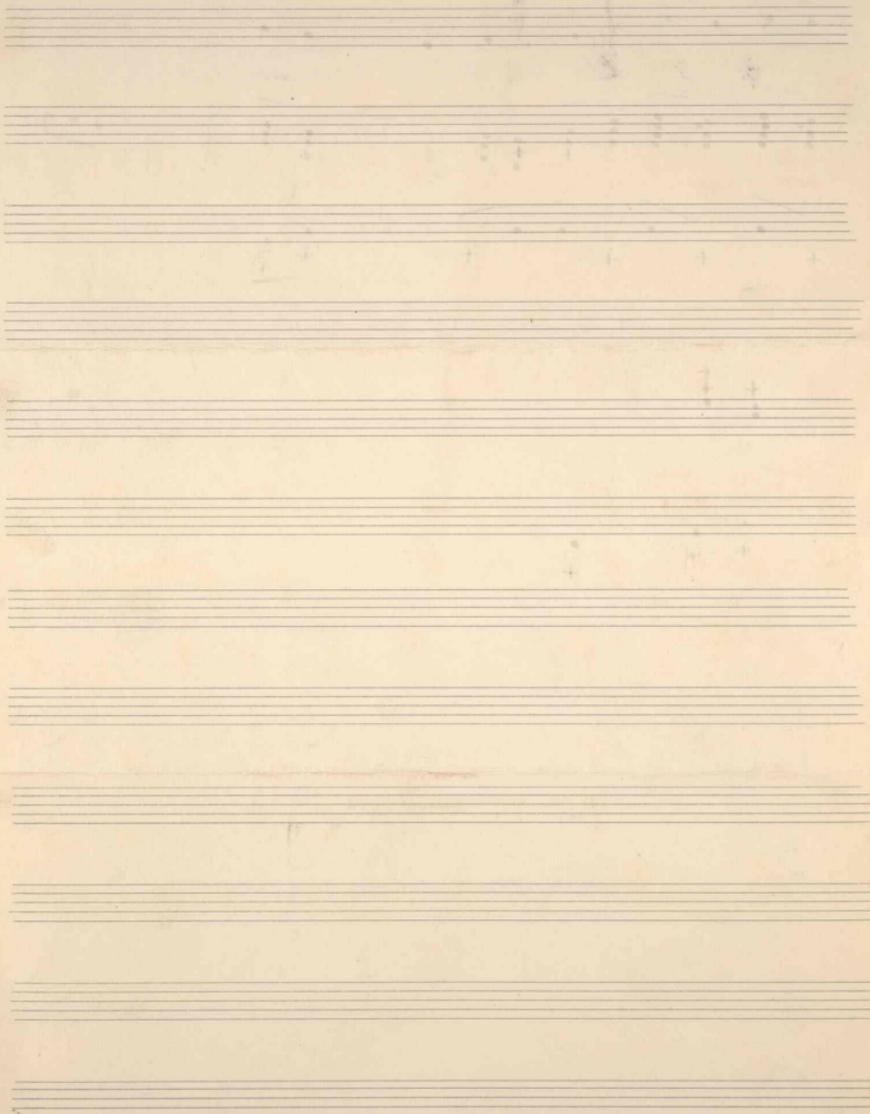

There are just a few more battles to be fought ere we're done,
There are just a few more Boches to be caught ere we've won,
But we've got the men and boodle,
Hail Columby, Yankee Doodle,
And we'll soon have Fritzie-oodle on the run - minus gun.

(2)

We'll fight him on the earth or on the wild and wooly sea;
We'll fight him in the airdome or wherever he may be;
We're after William's goatship and the bunter's end is nigh -
We'll hang his hairy coat upon the Hinden line to dry.

(3)

When Fritz has had his finish and the victory is won,
And peace has come to bless the earth through conquering the Hun,
We'll float our starry banner on the breezes of the earth,
And bless the loyal ones who gave democracy its birth.
