Moderato

For man - y months we have
For man - y years they've been

been de - fied by the Ger - man Gov - ern - ment - and Un - cle Sam has de - ferred to give them the
mak - ing Guns and much cost - ly Ar - ma - ment - to turn a - gainst all the great wide world on a

punch they long d'e served. They thought that we had no nerve to fight and pro - fect our nation - al
con - quest war they're bent, but Unc - le Sam now will take a hand to teach them small na - tions'

rights. Our Con - gress met to give the word, and sure - ly you have heard.
rights. Up o'er the top boys now let's go to make the whole world free.

CHORUS

The musical score is arranged in four systems, each with a vocal line and a piano accompaniment. The piano part features a rhythmic pattern of chords and eighth notes, with dynamics ranging from *mf* to *sfz*. The vocal line is in a 2/4 time signature and includes lyrics with some words in italics. The score concludes with a double bar line and first and second endings.

We'll put some "Pep" in that step, in that fa-mous Goose Step, when our Sol-diers hit the line, and then you'll

see those "Fritz-es" scoot and run to their homes be-yond the Rhine. And then we'll blow all their Tren-ches just

clean out of sight and show them how the Yank-ees Sam-mies Fight. We'll put some "Pep" in that

fa-mous Goose step when our Sold-iers hit the Line Line.
