So we boys will do our best, trusting you will do the rest, Waiting patient-ly
Our task is just begun, but we sure will win, the huns, Singing vic-to-ry
Refrain
Broadway, my dear old Broadway tho your lights are not now in a whirl We know it's best for
you and the rest for our gunsat the foe we will hurl. Broadway my dear old Broadway we will
greet you some near future day For "My Country 'tis of thee" Old Broadway is here to stay
