1 Leave all be- hind to war we go, Our coun- try save from com- ing woe.
2 We hear com- mands on rush- ing dash, A- mid the din as light- ning flash.

We hear the bombs & can- nons roar, Rush o- ver boys as ne'er be- fore.
As through the scrip- tures we are taught, This aw- ful bat- tle must be fought.

Mid thund'ring guns & clash- ing arms, He- roes of earth on seas & farms.
Think not of sac- ri- fice or loss, But come on boys take up the cross.

Ral- ly a- round & fight it through, Loved ones at home are work- ing too,
There's glo- ry for each one of you Un- der the red the white & blue.

Ral- ly a- round the flag be true, Our ban- ners float 'neath skies of blue.
With stream- ing tears, we bid a- dieu, And guid- ing stars will lead you through.

3. The Kaisers ships sink by command
And fight it out upon the land
'Tis for our country & our fleet
With tears of sorrow many weep -
And oer the foe we'll reign supreme
With power float the submarine
Deep under waters of the sea
We fight for peace & liberty
Under the rolling sea we sweep
Rocked in the cradle of the deep.
