UNCLE SAM, WE'LL HELP YOU WIN THE WAR.

When Uncle Sam took off his coat to show
That bully Kaiser Bill, his Prussianism would not go
Beyond his own door sill,
He knew that every American son
Here in the U. S. A.,
Would stand by him 'til the job was done
For he could hear them say:

CHORUS:

We'll have a wheatless, meatless, even an eatless day
to help you win the war;
The World will see that the U. S. A., is manhood to the
core.
And Uncle Sam, we pledge our word to you, we'll give you
even more
Than a wheatless, meatless, even an eatless day to help
you win the war.
