Land Of The U.S.A.

I.

As our ships go sailing o'er the ocean
Filled with boys of the U. S. A.
Then our hearts with billowy devotion
Cry 'God speed you my dears on your way!'
For over there they will join their brave comrades
With heart and hand they will march in the fray
While the Red, White and Blue
Is Waving over you
In the land of the U. S. A.

II.

When our ships come sailing home again dear
Filled with boys of the U. S. A.
How our hearts will welcome their home coming
Oh the joy of that wonderful day!
For their victory will shine on forever
Marked with fond memories of Heroes who fell
Over there in the fray
Dying as they pray
In the land of the U. S. A.
